Still Feeling Blue

Gram Parsons

Time can pass and time can heal But it don't ever pass the way I feel You went away a long time ago And why you left I never knew The lonely days and lonely nights Guess the world knows I ain't feelin' right And when you're gone the hours pass so slow And now I'm still feeling blue

And baby Since you've walked out of my life I never felt so low Can't help but wonder why you had to go

There are many girls but I can't say They come and go but still I feel this way And ever since the day you said goodbye No one treats me like you used to do

I hope you're out and happy now Doing up the town cause you know how Every time I hear your name I want to die And now I'm still feeling blue

All right

And baby Since you've walked out of my life I never felt so low Can't help but wonder why you had to go

I hope you're out and happy now Doing up the town cause you know how Every time I hear your name I want to die And now I'm still feeling blue And now I'm still feeling blue
