## She Don't Know

## Grammatrain

Gabriel don't need love any more Tries to hide herself behind her door Her hatred is sacred Gabriel don't need love any... She don't know Used to be alive inside her dreams Her life is so much harder than it seemed She doesn't know what's said From voices in her head Mother cries red tears for her She don't know you no more She don't even know herself She don't know you no more I didn't mean to push her I did nothing to push her Isn't love and blood supposed to make her stay
