

## Bad Time

Grand Funk Railroad

I'm in love with the girl that I'm talking about  
I'm in love with the girl I can't live without  
I'm in love but I sure picked a bad time  
To be in love  
To be in love

Well, let her be somebody else's queen  
I don't want to know about it  
There's too many others that know what I mean  
And that's why I got to live without it

I'm in love with the girl I'm talking about  
I'm in love with the girl I can't live without  
I'm in love but I feel like I'm wearin' it out  
I'm in love but I must have picked a bad time to be in love  
A bad time to be in love  
A bad time to be in love  
A bad time to be in love

All the stories coming back to me  
From my friends and the people I don't want to see  
The things they say I know just couldn't be true  
At least not until I hear it from you

'Cause I still love the little girl I'm talking about  
I'm in love with the girl I can't live without  
I'm in love but I feel like I'm wearin' it out  
I'm in love but I must have picked a bad time to be in love  
A bad time to be in love  
A bad time to be in love  
A bad time to be in love

You know that I love the little girl I'm talking about  
I'm in love with the girl I can't live without  
I'm in love but it feels like I'm wearin' it out  
I'm in love but I must have picked a bad time to be in love  
A bad time to be in love  
A bad time to be in love  
A bad time to be in love
