

## Borderline

Grand Funk Railroad

Many of love affairs grown cold  
Just waitin for somebody to make up their mind  
But you really don't know  
Just how unfair and mistaken you are with the love you can't find

There's one thing about it, people,  
You're not all alone  
I know the feeling  
Cause I got my own

I'm right on the borderline the borderline  
The borderline between love and hate  
Don't push me over, But don't keep me waitin  
On the borderline, the borderline  
I don't belong here I don't know why  
I guess it's hard for me to say

There's one thing about it, people,  
You're not all alone  
I know the feeling  
Cause I got my own

I'm right on the borderline the borderline  
The borderline between love and hate  
Don't push me over But don't keep me waitin  
On the borderline, the borderline  
I don't belong here, I don't know why  
I guess it's hard for me to say good-bye

Oh right on the borderline  
The borderline between love and hate  
Don't push me over, but don't keep me waitin  
On the borderline, the borderline  
I don't belong here I don't know why  
I guess it's hard for me to say good-bye
