Grand Funk Railroad

I'm gonna steal you from your hive, Steal you away from every man alive. They can't see what you mean to me queen bee They can't see what you mean to me What you mean to me What you mean to me my queen bee I'm gonna follow every where you go oh Cause girl there's somthing i want you to know heeyyy ohhh They can't see what you mean to me my little queen bee yeah They can't see what you mean to me What you mean to me What you mean to me my queen bee They can't see what you mean to me What you mean to me What you mean to me my queen bee What you mean to me What you mean to me my queen bee My little queen bee My little queen bee Bzzzzzzz!!!!!
