

# Responsibility

Grand Funk Railroad

Ooo-ooo-ooo-ooo-ooo-eee,  
Into my life came responsibility.  
She's got some shakin', kickin', sailin', long blonde hair,  
And when I want to get off you know she'll take me there.  
I'm talkin' 'bout ...

Ooo-ooo-ooo-ooo-ooo-eee,  
She fill me up with responsibility.  
Ooo-ooo-ooo-ooo-ooo-eee,  
She fill me up and let me down, can't you see ...  
Life is full of re ...  
re-spons-ibil-ity.  
Life is full of re ...  
re-spons--responsibility.  
Life is full of re ...  
re-re--responsibility.  
Life is full of responsibility.  
And I'm responsible for you and me.

Good lovin' messin' up my mind,  
A chick like this one is so hard to find.  
She takes care of everything I need,  
And when I want some stuff you know that she takes heed.  
I'm talkin' 'bout ...

Ooo-ooo-ooo-ooo-ooo-eee,  
She fill me up with responsibility -- yeah.  
Ooo-ooo-ooo-ooo-ooo-eee,  
She fill me up and let me down, can't you see ...  
Life is full of re ...  
re-spons-ibil-ity.  
Life is full of re ...  
re-spons--responsibility.  
Life is full of re ...  
re-re--responsibility.  
Life is full of responsibility.  
And I'm responsible as I can be.

Yeah, responsible, responsible baby.  
Yeah, responsible.  
Ooo-ooo-ooo-ooo-ooo-eee.  
Ooo-ooo-ooo-ooo-ooo-eee.

Responsible, responsible baby.  
I'm tryin' to be responsible, responsible baby ...  
... Yeah, ayyyy ... Yeah ... ayyyy ...  
Every day, baby; yes I am, baby; you know I can, baby.

Life is full of re ...  
re-spons-ibil-ity.  
Life is full of re ...  
re-spons--responsibility.  
Life is full of re ...  
re-re--responsibility.  
Life is full of responsibility.  
And I'm responsible for you and me.  
Life is full of re ...

re-spons-ibil-ity.  
Life is full of re ...  
re-spons--responsibility.  
Life is full of re ...  
re-re--responsibility.  
Life is full of responsibility.  
And I'm responsible for you and me.  
[to fade ...]
