

Sin's a Good Man's Brother

Grand Funk Railroad

Ain't seen a night
Things work out right
Go by

Things on my mind
And I just don't have the time
And it don't seem right

Ain't seen a day
That I don't hear people say
They know they're gonna die

Now, this may seem a little bit crazy
But I don't think you should be so lazy
If you think you've heard this before
Well, stick around I'm gonna tell you more

One just like the other
Sin's a good man's brother
But is that right?

You tell me that I don't
Then I say I won't
But then I might

You said this is the way it's supposed to be
But it just don't seem right to me
And that's outta sight

Some folks need an education
Don't give up or we'll lose the nation
You say we need a revolution
It seems to be the only solution
