

# Still Waitin'

Grand Funk Railroad

You're sittin' home all alone  
Tryin' to make excuses  
It's so hard to open up the door

You're still tryin' to hide  
Always find a reason  
I can't understand what you're waitin' for

Are ya,  
Still waitin'  
Still waitin' for love  
Still waitin' for love to come

Are ya,  
Still waitin'  
Waitin' for love

Take another chance  
Take a chance  
Take another chance to make it  
You can't be happy on your own

Find a lover  
Any other  
Anyone will do  
That's no good  
I just can't see them, anymore

My heart is achin for it,  
I can't sleep, the truth is on my mind  
But I can't stop holdin' back

So I'm,  
Still waitin'  
Still waitin' for love  
Still waitin' for love to come

Yes I'm,  
Still waitin'  
Still waitin' for love  
Still waitin' for love to come

Are ya,  
Still waitin'  
Waitin' for love

My heart is achin for it  
I can't sleep, the truth is on my mind  
But I can't stop holdin' back  
Waitin' for you  
Waitin' for love  
Waitin' for love to find me

Still waitin'  
Still waitin' for love  
Still waitin' for love to come

Yes I'm,  
Still waitin'  
Still waitin' for love  
Still waitin' for love to come

Are ya,  
Still waitin'  
Still waitin' for love  
Still waitin' for love to come

Yes I'm,  
Still waitin'  
Waitin' for love to find me

Still waitin' for love to come  
Still waitin' for love to come  
Waitin' for love, waitin' for love, waitin' for love  
Still waitin' for love to come...
