

Time Machine

Grand Funk Railroad

Well a hey there baby
do you want to make the scene
well a hey there baby
do you want to make the scene
ahhh well come on over baby
step into my time machine

you better jump into my action
i'm gonna make you feel right
jump into my action
i'm gonna make you feel right
don't worry bout tomorrow
cause i'm gonna love you tonite

step into the front row
i'm gonna show you how
step into the front row
i'm gonna show you how
don't worry bout no time
we can always come back to right now

if you want to come back
with just a turn about
when you want to come back
with just a turn about
cause we ain't gonna come back
til there ain't no doubt

now don't it get good to ya
do you know what i mean
said don't it get good to ya
don't know what i mean
well come on over baby
jump into my time machine
