## **Time Machine**

## **Grand Funk Railroad**

Well a hey there baby do you want to make the scene well a hey there baby do you want to make the scene ahhh well come on over baby step into my time machine

you better jump into my action i'm gonna make you feel right jump into my action i'm gonna make you feel right don't worry bout tomorrow cause i'm gonna love you tonite

step into the front row
i'm gonna show you how
step into the front row
i'm gonna show you how
don't worry bout no time
we can always come back to right now

if you want to come back
with just a turn about
when you want to come back
with just a turn about
cause we ain't gonna come back
til there ain't no doubt

now don't it get good to ya do you know what i mean said don't it get good to ya don't know what i mean well come on over baby jump into my time machine
