

## Blood Oath

Grand Magus

Living on the edge of darkness  
Gives a man a certain point of view  
Never shared by you

Raven's hunger will be stilled  
Giving back to nature what I had  
Joy is the fact, I'm never turning back

Living on - Ever on  
Blood Oath  
Blood Oath  
Living on

One for one and all still one  
Honour has a price that must be paid  
Time to choose your way  
Not your fault that you've been blind  
But the time to think is now at hand  
Every woman, child and man

Living on - Ever on

My oath of blood lives on
