Sword Of The Ocean

Grand Magus

The first was the last one The last one to fall He sounded the warning And put out the call Remorseless invaders or traders with gold? Stand or run Will flesh pay for metal or riches be shared - stand or run We bring the fire and the flame Agony and pain Sword of the ocean carve me your name The men on the shoreline Guardians of old They prayed for a warning They ran from the wall Remorseless invaders or traders with gold? Stand or run Will flesh pay for metal or riches be shared - stand or run We bring the fire and the flame Agony and pain Sword of the ocean carve me your name
