

Won't somebody please  
Take away my keys  
Drunk again  
to memories' trees  
And running in  
Curtains in the sky  
But you would too

Stage my grand comeback

Just spilled it when he tried  
My hair's gonna grow  
Though I'm dead you know  
Resting on my back  
I don't wanna go aloneDon't make me go
