

## For The Dishwasher

Grandaddy

Ride your bike all night and give your heart a break  
And give your head a shove and fuck that

Subject love, you'll get another chance someday  
Ride your bike 'till dawn and keep your lantern on

All alone and no one's won.  
Computers in the sun, not one with power on  
For the dishwasher who rides home late tonite  
It will be alright just get to sleep tonite,  
You'll get another chance someday
