

## So You'll Aim Toward the Sky

Grandaddy

So you'll aim toward the sky  
And you'll rise  
High today, fly away  
Far away, far from pain

So you'll aim toward the sky  
And you'll rise  
High today, fly away  
Far away, far from pain  
So you'll aim toward the sky  
And you'll rise  
High today, fly away  
Far away, far from pain

So you'll aim toward the sky  
And you'll rise  
High today, fly away  
Far away, far from pain
