## So You'll Aim Toward the Sky

## Grandaddy

So you'll aim toward the sky And you'll rise High today, fly away Far away, far from pain

So you'll aim toward the sky
And you'll rise
High today, fly away
Far away, far from pain
So you'll aim toward the sky
And you'll rise
High today, fly away
Far away, far from pain

So you'll aim toward the sky And you'll rise High today, fly away Far away, far from pain
