

Violet

Grant-Lee Phillips

Violet oh violet such a darlin' child
Nothing makes me happier
Than to simply look into your eyes
And see you smile

Violet oh violet little darlin' one
Wonder what you're dreaming of
Wonder what it is the book of life
Has just begun

Dream of all the joys to see
And all you're gonna do
Every flower in the world
A waiting for you

Violet oh violet welcoming the day
How we're gonna laugh in to the hours
We're gonna play

Dream of all the joys to see
And all you're gonna do
Every flower in the world
A waiting for you

Violet oh violet such a darlin' one
Nothing makes me happier
Than to know that you are having fun
You're having fun
