

# Estimated Prophet

Grateful Dead

1. My time coming, any day, dont worry about me, no  
Been so long I felt this way, Im in no hurry, no  
Rainbows and down that highway where ocean breezes blow  
My time coming, voices saying they tell me where to go.

Dont worry about me, nah nah nah, dont worry about me, no  
And Im in no hurry, nah nah nah, I know where to go.

R: California, preaching on the burning shore  
California, I'll be knocking on the golden door  
Like an angel, standing in a shaft of light  
Then rising up to paradise, I know I'm gonna shine.

2. My time coming, any day, dont worry about me, no  
Its gonna be just like they say, them voices tell me so  
Seems so long I felt this way and time sure passin slow  
Still I know I lead the way, they tell me where I go.

Dont worry about me, no no no, dont worry about me, no  
And Im in no hurry, no no no, I know where to go.

R: California, a prophet on the burning shore  
California, Ill be knocking on the golden door  
Like an angel, standing in a shaft of light  
Rising up to paradise, I know Im gonna shine.

Youve all been asleep, you would not believe me  
Them voices tellin me, you will soon receive me  
Standin on the beach, the sea will part before me  
Fire wheel burning in the air!  
You will follow me and we will ride to glory  
Way up, the middle of the air!

And Ill call down thunder and speak the same  
And my work fills the sky with flame  
And might and glory gonna be my name  
And men gonna light my way.

3. My time coming, any day, dont worry about me, no  
Its gonna be just like they say, them voices tell me so  
Seems so long I felt this way and time sure passin slow  
My time coming, any day, dont worry about me, no

Dont worry about me, no no no, dont worry about me, no  
And Im in no hurry, no no no, dont worry about me, no.
