

Feel Like a Stranger

Grateful Dead

Inside youre burnin I can see clear through
Your eyes tell more than you mean them to
Lit up and flashin like the reds and blues
Out there on the neon avenue
Well i, feel like a stranger (feel like a stranger)

Well the musics thunderin, restless and hot
You keep firin me glances across the room
And I cant stop wonderin just what you got
Get the feeling Im going to find out real soon
But I feel like a stranger (feel like a stranger)
So lets get on with the show, lets go

Yes, and the wheels its smokin round midnight
You show me a look that says lets go
Yes, and it feels about like running a red light
Now there aint no point in looking behind us, no!
Still I feel like a stranger (feel like a stranger)
You know its gonna get stranger, lets get on with the show

If this were love now how would I know? how would I know?
Feel like a stranger
Gonna be a long, long, crazy, crazy night
Silky, silky, crazy, crazy night
