

Keep Your Day Job

Grateful Dead

1. Maybe you collect or maybe you pay (whether)
Still got to work that eight hour day
Whether you like that job or not
You'd better keep it on ice
While you're lining up your long shot
Which is to say, hey hey, hey

R: Keep your day job
Don't give it away,
Keep your day job,
Whatever they say
Keep your day job
'Till your night job pays.

2. Steady boys starting that eight day hour
Never underrate that paycheck power
By now you know that the face on your dollar
Got a thumb on its nose and a hand on your collar
Which is to say, hey, hey, hey

R: Keep your day job...

3. Daddy may drive a Sting-Ray 'Vette
Mama may bathe in champagne yet
God bless the child that's got his own stash
Nine to five and a place to crash
Which is to say, hey, hey, hey

R: Keep your day job...

4. Sunday comes forget about work,
Ring that bell for whatever it's worth.
If you ask me, which I know you don't,
I'd tell you to do what I know you won't
Which is to say, hey, hey, hey
