

# She Belongs To Me

Grateful Dead

She got everything she needs, she's an artist, she don't look back  
she got everything she needs, she's an artist, she don't look back  
she can take the dark out of the night time  
paint the daytime black

You'll start out standing, vow to steal her anything she sees  
you'll start out standing, vow to steal her anything she sees  
you'll wind up peekin' through a keyhole, down upon your knees

She never stumbles, got no place to fall  
she never stumbles, got no place to fall  
she's nobody's child, lord can't touch her at all

She wears an egyptian ring, sparkles before she speaks  
she wears an egyptian ring, sparkles before she speaks  
she's a hypnotist collector, you are a walking antique

Bow down to her on sunday, salute her when her birthday comes  
bow down to her on sunday, salute her when her birthday comes  
for halloween give her a trumpet, for christmas, give her a drum
