

## Sugaree

Grateful Dead

1. When they come to take you down  
when they bring that wagon 'round  
When they come to call on you  
and drag your poor body down

R: Just one thing I ask of you, just one thing for me  
Please forget you know my name, my darling sugaree  
Shake it, shake it sugaree, just don't tell them that you know me  
Shake it, shake it sugaree, just don't tell them that you know me

2. You thought you was the cool fool  
and never could do no wrong  
Had everything sewed up tight.  
how come you lay awake all night long

R: Just one thing I ask of you...

3. Well in spite of all you had gained  
you still had to stand out in the pouring rain  
One last voice is calling you  
and I guess it's time you go

R: Just one thing I ask of you...

4. Well shake it up now sugaree,  
I'll meet you at the jubilee  
and if that jubilee dont come  
well i'll meet you on the run

R: Just one thing I ask of you...  
Shake it, shake it sugaree, just don't tell them that you know me  
Shake it, shake it sugaree, just don't tell them that you know me
