

The Golden Road

Grateful Dead

1. See that girl barefootin' along,
Whistlin' & singin', she's carryin' on.
There's laughin' in her eyes, dancing in her feet,
She's a neon bright fire & she can live on the street.

R: Hey, hey, hey (hey) join right away, join the comin' (uh, ho
ney, everyday)

Hey, hey, hey (hey) join right away, join the comin' (uh, ho
ney, everyday)

2. Well, everybody's dancin' in a ring around the sun,
Nobody's finished, we ain't even begun.
So, take off your shoes, child, & take off your hat.
Shine your wings & fly me out where it's at.

R: Hey, hey, hey...

3. Take a vacation, fall out for a while,
Summer's comin' in, winter's goin' out in style.
Well, light out smokin', honey, have yourself a ball.
Cause your mama's down in Memphis, won't be back for a while

.

R: Hey, hey, hey...
