

Back To The Roots

Grave Digger

You've got the feeling, turn on
the lights
YOU feel the power rising,
lightning strikes the sky
Siw million people wanna see the
band
The hit the stage tonight,
guitars in our hands

Watch out

We're back-back to the roots
Heavy metal rules
We're back-back to the roots
Heavy metal

You've got the rythm, we've got
the beat
We turn the music loud, burn in
the heat
Look to the left, look to the
right
Look into my eye, I'm ready to
fight

We're back-back to the roots
Heavy metal rules
We're back-back to the roots
Heavy metal
