

Dia De Los Muertos

Grave Digger

Creatures of the endless night
Blinded by the pale moonlight
Dancing through the empty streets
Celebrating life and weed

Retribution execution dissolution revolution
Bleeding eyes no pain no gain
White skulls scream in the pouring rain

Whoa oh oh dia de los muertos
Whoa oh oh day of the dead

Sighing spirits in a ghost parade
Screaming Jesus stays in the shade
Unholy jugglers know the truth
Bloody hands feel no ruth

Retribution execution dissolution revolution
Bleeding eyes no pain no gain
White skulls scream in the pouring rain

Whoa oh oh dia de los muertos
Whoa oh oh day of the dead
Whoa oh oh dia de los muertos
Whoa oh oh day of the dead

Whoa oh oh dia de los muertos
Whoa oh oh day of the dead
Whoa oh oh dia de los muertos
Whoa oh oh day of the dead
