

## Fight the Fight

Grave Digger

Raging on a warpath, storming through the town  
Blowing it to pieces, killing all around  
Fighting for existence, looking for a way  
Now it's getting harder, it's the price you pay

Black or White - it's no different kind  
Black or White - the leader are so kind

Fight The Fight  
Fight for Your Right  
Fight The Fight  
And See The Light

Crossing bloody streets, waiting for attack  
Living for a moment, never turning back  
Striking down the white, killing all in sight  
It's a state of hate, where fires burning bright
