## **Hell to Pay**

**Grave Digger** 

Open the door With your lips kiss the floor Open your eyes You're in hell pay the price

Open your mind Let me see your thoughts behind Open your mouth And let me know the truth

The devil rises up Out of the fire he calls me a liar

BUT I LIKE TO STAY HELL TO PAY THAT'S MY WAY HELL TO PAY HELL TO PAY

When angels fly free I lock up the door and hold the key When hell is open My black heart will know what happened

The devil rises up punishes me with hate and lead me to the gate

BUT I LIKE TO STAY HELL TO PAY THAT'S MY WAY HELL TO PAY HELL TO PAY

The devil rises up punishes me with hate and lead me to the gate

BUT I LIKE TO STAY HELL TO PAY THAT'S MY WAY HELL TO PAY HELL TO PAY
