

# Overkill

## Grave Digger

Only way to feel the noise is when it's good and loud  
So good you can't believe it's screaming with the crowd  
Don't sweat it, get it back to you  
Overkill, overkill  
On your feet you feel the beat, it goes straight to your spine  
Shake your head you must be dead if it don't make you fly  
Don't sweat it, get it back to you  
Overkill, overkill  
Know your body's made to move, feel it in your guts  
Rock 'n' roll ain't worth the name if it don't make you strut  
Don't sweat it, get it back to you  
Overkill, overkill
