## **Overkill**

**Grave Digger** 

Only way to feel the noise is when it's good and loud So good you can't believe it's screaming with the crowd Don't sweat it, get it back to you Overkill, overkill On your feet you feel the beat, it goes straight to your spine Shake your head you must be dead if it don't make you fly Don't sweat it, get it back to you Overkill, overkill Know your body's made to move, feel it in your guts Rock 'n' roll ain't worth the name if it don't make you strut Don't sweat it, get it back to you Overkill, overkill
