

Satan's Host

Grave Digger

Watch me die at the cemetery
Killed by priests of evil mercenary
Hands are cold my face is pale
A warm embrace souls for sale

Heathen demon church and death
Kills my brain and steals my breath
Heathen demon holy ghost
Welcome Satan's host
Welcome Satan's host

Satan lord alive and mystified
All mankind will be victimized
Pray for mercy I am your whip
Obey my prayer suck my dick

Heathen demon church and death
Gives me hope and leaves me blessed
Heathen demon holy ghost
Welcome Satan's host

Heathen demon church and death
Kills my brain and steals my breath
