

# The Last Supper

Grave Digger

Well done my friend, thanks for the offer  
We'll catch him at night to end this game  
Take these thrity dimes in a coffer  
Meet us at midnight, please hold the flame

Believe my days are counted  
I feel the evil breath  
The liar sits right by my side  
His eyes are full of fear and pride

IT'S MY LAST SUPPER  
AFTER THIS I WILL DIE  
IT'S MY LAST SUPPER  
MY OWN SACRIFICE

Welcome my friends  
come celebrate with me  
You are invited to take a place  
Feat and drink as much as you will  
Before they start the race of death

Believe my days are counted  
I feel the evil breath  
The liar sits right by my side  
His eyes are full of fear and pride

IT'S MY LAST SUPPER  
AFTER THIS I WILL DIE  
IT'S MY LAST SUPPER  
MY OWN SACRIFICE

My end is near  
Come pray with me  
My fortune is over  
But love can be

Whenever I die  
Please let me fly  
Remembe me  
And love can be

Believe my days are counted  
I feel the evil breath  
The liar sits right by my side  
His eyes are full of fear and pride

IT'S MY LAST SUPPER  
AFTER THIS I WILL DIE  
IT'S MY LAST SUPPER  
MY OWN SACRIFICE
