## **Grave Digger**

I need you here beside me, To chase the night sway I need your love to guide me, Save through another day

Oh, oh, oh it's my wedding day, oh, oh, oh

Wedding Day - All Night We Gonna Burn Wedding Day - The Day Of No Return It's My Wedding Day

She's hyperactive and she's a wild romance I want to kiss her, but she only wanna dance I've waited all the time for you You've broken Promises, I'm just a fool for you

Start trouble, spread pain Piss and venom in your vains talk nasty, breath the fire smell rotten, you're a liar
