Beauty Within

Liar save me your speach Liar save me your speach You are perfect for me There is no excuse for your repulsiveness They say it's all in my head That I must realize it's a figure of speech But I'm curious to find out myself Beauty comes from within Let's see if that is true Too late for regrets Now that you're open wide Why punish me? Guess that I was wrong That was no pretty sight But I'll try again until I find Mrs. right They say it's all in my head That I must realize it's a figure of speech But I'm curious to find out myself Beauty comes from within Now I know that is so This little unborn life is truly adorable Why punish me? I had to know! What is right What is wrong This proof I found It says it all
