

## Haunted

### Grave

Season of the undead nears  
Lying waiting the rite  
Spiritual visions appear  
To fulfill the prophecy

These walls stained by blood  
Of immortality  
Haunted through centuries  
By souls of mortality

Laid down to rest  
In unholy ground  
Ancient creation of man  
Supposed to never appear.

These walls stained by blood  
Of immortality  
Haunted through centuries  
By souls of mortality

Season of the undead nears  
Lying waiting the rite  
Spiritual visions appear  
To fulfill the prophecy

These walls stained by blood  
Of immortality
