Damn the ones who put me here
Four white walls to save my soul
I will not deny what I have done
But to me it is normal not a crime

Stripping flesh from the bone Tearing limb from limb Eyes that no longer see Is a feast for me

So I suffer quietly
Let them try to figure my inside out
Maybe I should give them a taste
Human flesh converts the most doubtful mind

Stripping flesh from the bone Tearing limb from limb These are things that I do To feel satisfied

No more tears falling from my eyes No regrets, no repent I decide who will live or die In my world, I am god

Now they can't hurt me no more Since my body is just an empty shell I have left in search for Another body to inhabit for a while

No more tears falling from my eyes No regrets, no repent I decide who will live or die In my world, I am god
