

Rest In Peace

Gravediggaz

oh yeah, oh yeah, oh yeah, oh yeah
It ain't over motherfuckers
(no shit!)

As we enter, the beginning of the end
(the sounds you are about to hear, may be devastating to your ears)

The end, of the beginning
Fr-from the pits, from the, ark
It ain't over, aiaint never gonna be over!
We got the paul newman!

Grave, gravediggaz!
The shadow, the dark side
Wh-when you least expect
Uh-under the bed!
Lurking, lurking! yeah, forever

Gatekeeper

Grym reaper

Ryzarector

Undertaker

There's-the-there's nowhere to run

No-nowhere to hide

It's a suicide, a suicide

'cause we got the constant elevation, constant, constant

So witness the diary of a madman

Come come, as we bring the sorceress, the sorceress

(I love it, I love it I love it!)

Pass-pa-pass the shovel kid

We gotta dig another grave

One, eight hundred, suicide

The world it ain't safe it ain't safe no more

The world it ain't safe no more

(repeats until track vanishes)

Gravediggaz *gravediggaz* gravediggaz!
