

Rest In Peace

Gravediggaz

oh yeah, oh yeah, oh yeah, oh yeah
It ain't over motherfuckers
(no shit!)

As we enter, the beginning of the end
(the sounds you are about to hear, may be devastating to your e
ar)

The end, of the beginning
Fr-from the pits, from the, ark
It ain't over, aiain't never gonna be over!
We got the paul newman!
Grave, gravediggaz!
The shadow, the dark side
Wh-when you least expect
Uh-under the bed!
Lurking, lurking! yeah, forever
Gatekeeper
Grym reaper
Ryzarector
Undertaker
There's-the-there's nowhere to run
No-nowhere to hide
It's a suicide, a suicide
'cause we got the constant elevation, constant, constant
So witness the diary of a madman
Come come, as we bring the sorceress, the sorceress
(I love it, I love it I love it!)
Pass-pa-pass the shovel kid
We gotta dig another grave
One, eight hundred, suicide

The world it ain't safe it ain't safe no more
The world it ain't safe no more
(repeats until track vanishes)

Gravediggaz *gravediggaz* gravediggaz!
