

Strip 4 Me

Gravy Train

I wanna jack you off through your pants (Through your pants)
I wanna feel it wet in my hands (In my hands)
I wanna hold it till it explodes (It explodes)
But first you gotta take off all your clothes (All your clothes
)

Lights, chips, music and dip, I'm gonna keep it all in one place
I don't need a stage for you to strip, I want you to get down in
my face
I know that you think that I'm puttin' you down the way I stare
at you and wiggle my finger
You may be the gayest fuckin' guy in town but I like dick and you
have a weiner.

Strip for me, why don't you do it too?
You may think it's about you but it's totally me
Strip for me, why don't you do it too?
I'm doing way too much in ways that you can't see

And when it's all over I want to eat (Wanna eat)
cause you got me so hungry
You really work up my appetite (Appetite)
So strip for me and I'll take a bite (Take a bite)

Bounce right into my lap because you know I'm about to pop
I'm the one who put that move onto the map so watch as the money
drops
I don't think we'll need any sensual aides like porn or your dad's
Viagra
I know that I may seem so blase but when I'm hot they call me N
iagra

Strip for me, why don't you do it too?
You may think it's about you but it's totally me
Strip for me, why don't you do it too?
I'm doing way too much in ways that you can't see

Shacked up in a hurry, wanna see you in your trunks
If anybody ask you (if anybody ask you) you belong to Hunx
Come on get it down now.

Strip for me, why don't you do it too?
You may think it's about you but it's totally me
Strip for me, why don't you do it too?
I'm doing way too much in ways that you can't see
