

Dream To Live

Great Big Sea

Set off for america far across the raging sea
From the frozen coves of my island home to the land of liberty
I had to leave my girl behind until I make my way
Oh Molly dear please wait for me
I'll come back for you some day

We landed hard in Boston and I never seen the like
A small boat boy from around the bay in this sea of shining lik
e
two days in I got a got a job Building towers of high steel
I had to learn to not look down and I quickly learned to kneel

R: All I need is one good night sleep in your loving arms to me
nd

Sleep to dream and we dream to live will I live to love you
again
