

## Fast As I Can

Great Big Sea

1. From the first hello you gave to me

I've done nothing else but smile

And I know you're in a hurry

Ah, but its gonna take a while

So forgive me if we go slow

But there's something I think you should know...

R: I'm goin' fast as I can, please don't make me rush

This feeling's coming on way too fast

I'll tell you all of the things that you'll never forget

But I'm not ready say "I love you" yet

I'm not ready to say "I love you" yet.

2. Don't push me in too deep,

I've always been the fool who rushes in.

I know you've got to take the pieces one-by-one  
b'fore you've got everything.

So forgive me if we take time,

But there's something that's been on my mind...

R: I'm goin' fast as I can...

\*: Oh, there'll be times when I'm mistaken

And there'll be times when we're gonna fight

Ah, but you needn't doubt, we can work it out

And in time we'll get it right. Oh

So forgive me if we go slow

But there's something I think you should know...
