

## Love

## Great Big Sea

1. When we're together why does something always start  
Are we both better off when we are apart  
Someday's you hate me I can see it in your eyes  
It seems like lately you can't wait to criticize me

R: It's alright, we don't have to fight tonight  
No, it's alright

2. Everyday I can hear the rockets fly  
Over the graves of too many who have died  
Fighting for land, or some ancient holy shrine  
I bet your blood runs red, just the same as mine, yeah

R: It's alright...

\*: Love LaLaLaLa Love LaLaLaLaLa

3. How many more of our children have to fall  
Just how high do we have to build these walls  
In fighting there's no dignity  
It's such a waste of time  
Take my hand, I don't think God will mind.

R: It's alright...
