

Love

Great Big Sea

1. When we're together why does something always start
Are we both better off when we are apart
Someday's you hate me I can see it in your eyes
It seems like lately you can't wait to criticize me

R: It's alright, we don't have to fight tonight
No, it's alright

2. Everyday I can hear the rockets fly
Over the graves of too many who have died
Fighting for land, or some ancient holy shrine
I bet your blood runs red, just the same as mine, yeah

R: It's alright...

*: Love LaLaLaLa Love LaLaLaLaLa

3. How many more of our children have to fall
Just how high do we have to build these walls
In fighting there's no dignity
It's such a waste of time
Take my hand, I don't think God will mind.

R: It's alright...
