

Sea Of No Cares

Great Big Sea

When you're in love there's no time and no space
There's a permanent smile on your face
Your friends all complain that you're going insane
But the truth is they're just afraid

Hey somewhere
You threw your fear in the sea of no cares
Hey somewhere
You threw your fear in the sea of no cares

When you decide that what counts is inside
Your friends all say "It's a lie"
But there's no brighter light than the look in her eyes
When you're walking her home through the night

Hey somewhere
You threw your fear in the sea of no cares
Hey somewhere
You threw your fear in the sea of no cares

Let yourself go with the tide
There's an angel by your side
Tonight

Back at the bar getting cynically stoned
Your friends are drinking alone
But it's funny, they don't even cross your mind
When she asks you into her home

Hey somewhere
You threw your fear in the sea of no cares
Hey somewhere
You threw your fear in the sea of no cares
Hey somewhere
You threw your fear in the sea of no cares
Hey somewhere
You threw your fear in the sea of no cares
