When you're in love there's no time and no space There's a permanent smile on your face Your friends all complain that you're going insane But the truth is they're just afraid

Hey somewhere You threw your fear in the sea of no cares Hey somewhere You threw your fear in the sea of no cares

When you decide that what counts is inside Your friends all say "It's a lie" But there's no brighter light than the look in her eyes When you're walking her home through the night

Hey somewhere You threw your fear in the sea of no cares Hey somewhere You threw your fear in the sea of no cares

Let yourself go with the tide There's an angel by your side Tonight

Back at the bar getting cynically stoned Your friends are drinking alone But it's funny, they don't even cross your mind When she asks you into her home

Hey somewhere
You threw your fear in the sea of no cares
Hey somewhere
You threw your fear in the sea of no cares
Hey somewhere
You threw your fear in the sea of no cares
Hey somewhere
You threw your fear in the sea of no cares
