

Stealing Tomorrow

Great Lake Swimmers

Is this place shaking or is it me
Why can't I feel mean without you
And everything become more true
The more that I believe in you
Stealing tomorrow

I don't care what you think
I'm going to take it away

While I am stealing tomorrow from today
Stealing tomorrow from today
Stealing tomorrow from today
Take it away

And I built this wall around me
And I refuse to let anyone through
Oh no, not even you

No, no, not even you
No, no, no, not even you

And it's like someone else is driving,
Like this body isn't mine
I changed myself without even telling you
Or even asking and I need relief
'Cause I can't be sober and win you over
And relate my temperature
I have to get out of here
And you don't even know the half of it
I cannot turn it off, I don't have a switch for that
Haven't crash landed yet, haven't crash landed yet

Stealing tomorrow from today
