

# Any Way You Want It

Great White

any way you want it that's the way you need it any way you want  
it  
she loves to laugh she loves to sing she does everything  
she loves to move she loves to groove she loves the loving thin  
gs  
all night all night every night  
so hold tight hold tight baby hold tight  
she said any way you want it that's the way you need it any way  
you want it  
she said any way you want it that's the way you need it any way  
you want it  
i was alone i never knew what good love could do  
then we touched then we sang about the loving things  
all night all night every night  
so hold tight hold tight baby hold tight  
she said any way you want it that's the way you need it any way  
you want it  
she said any way you want it that's the way you need it any way  
you want it  
hold on hold on hold on  
any way you want it that's the way you need it any way you want  
it  
any way you want it that's the way you need it any way you want  
it  
any way you want it that's the way you need it any way you want  
it  
any way you want it that's the way you need it any way you want  
it  
any way you want it that's the way you need it any way you want
