

I Don't Need No Doctor

Great White

I don't need no doctor 'cause I know what's ailing me
I don't need no doctor 'cause I know what's ailing me
All I need is my baby, you don't know why I'm in misery

I don't need no doctor, I don't need no doctor

I don't need no doctor, my prescription tells me that
I don't need no doctor, my prescription tells me that
All I need is my baby, you don't know why I'm in misery

I don't need no doctor, I don't need no doctor
I don't need no doctor, I don't need no doctor

Well, the doctor said I need rest, ooh ooh
He put me on the critical list, ooh ooh
Keeping me safe from harm, ooh ooh
All I need is her sweet charm, ooh ooh

He gave me a medicated lotion, that wouldn't do
Ooh, yeah my emotion, oh yeah, no doctor no

I don't need no doctor, I don't need no doctor
I don't need no doctor, I don't need no doctor
