

The Hunter

Great White

They call me the hunter 'cause that's my name
Pretty little women like you is my only game
I got myself a love gun just the other day
When I aim it, baby, I said my aim it don't sway

Ain't no use to hide, ain't no need to run
'Cause I got you in the sights, baby, of my loaded love gun

The first time that I saw you standing on my street
I said to myself, I said, jacky boy, ain't she sweet
I got my love gun loaded with hundreds of kisses
When I pull that trigger, baby, there will be no misses

Ain't no use to hide, ain't no need to run
'Cause I got you in the sights, baby, of my loaded love gun
Ain't no use to hide, ain't no need to run
'Cause I got you in the sights, baby, of my loaded love gun

They call me the hunter 'cause that's my name
Pretty little women like you is my only game
I got myself a love gun just the other day
When I aim it, baby, I said my aim it don't sway

Ain't no use to hide, ain't no need to run
'Cause I got you in the sights, baby, of my loaded love gun

They call me the hunter 'cause that's my name
They call me the hunter with my loaded gun
