

What Do You Do

Great White

I can't get close enough to you, babe
I need to squeeze it up so tight
I can't get close enough to you, babe
I need your loving every night

Maybe your love
Maybe your love
I just don't know my mind
All your little tricks
Nasty little licks
I'll ask you ask you one more time

What do you do for love?
How do you find your action?
What do you do for love?
What do you do for love?

Don't know what I'm supposed to do, babe
How do I get the message through?
I can't get immunised to you, babe
What's this poor boy going to do?

Maybe your love
Maybe your love
I just don't know my mind
All your little tricks
Nasty little licks
I'll ask you ask you one more time

What do you do for love?
How do you find your action?
What do you do for love?
That animal attraction?
What do you do?
What do you do for love?
How do you find your action?
What do you do for love?
That animal attraction?
What do you do for love?
What do you do for love?
