

Voyage into Bliss

Greedy Invalid

It's impossible to erase you
from my mind
Like a déjà vu
You still keep coming back again
Erotica, damnation
Drive me insane
Erotica, you glorious
I long to see you again

Each time I feel your presence near
don't have a clue if you're really true
You've always been a good friend to me
but reaching you I've drowned my youth

I want you to crush me
with passion from inside
One more time
I need to drink of your cup
Erotica, it's bottomless goblet of lust
Erotica, I lift my hand
take it at once

Each time I feel your presence near
don't have a clue if you're really true
You've always been a good friend to me
but reaching you I've drowned my youth

Each time I feel your presence near
don't have a clue if you're really true
You've always been a good friend to me
but reaching you I've drowned my youth
